Re: Sgt. Oliver C. Chandler

Dear Mr. Hobbs:

Thank you for the confidential record sheet concerning Oliver Chandler. We have placed this information in our file and deleted his name from our records.

You still have not provided me with sufficient information so that I can refuse this man registration in the Boy Scouts of America, should he show up in some other council.

Can you obtain for my files a written record of the confession he made to the District Attorney? If this cannot be made available to us, please at least get me the name of the District Attorney's office so that, if necessary, in the future I can communicate with that office.

Sincerely,

Re: Sgt. Oliver C. Chandler

Dear Mr. Hobbs:

I have your letter of December 16 concerning Oliver Carl Chandler. Attached is a confidential record sheet which we would appreciate your filling out as completely as possible. This is our main means of identification, should Sgt. Chandler attempt to register in the future from some other council.

The only information you have provided in your letter is that there was a confession of homosexual activity. Do you have any more details than this single statement? Do you have the confession in writing? If so, we should have a copy. Can you obtain any statements from parents or boys?

What I'm driving at is that if we refuse this man registration in the future, and he makes an issue of this refusal and takes us to court, we have to have substantial information in our files to back up our refusal of his registration.

Sincerely,

Earl L. Krall, Director
